SEASONS GREETINGS! HAPPY NEW YEAR!! Winter- 2010

Dear Friends,

I believe the arts bring us calm in the midst of our storms, it distracts our fears, freeing us to walk the path to empowerment. Now, more then ever, creativity and innovation is a critical workforce skill for the 21st Century that many of our youth are missing. IDEA has a crucial mission in opening up that creative spirit and contributing to the change in our youth and in our communities. We hope you can support us in the coming year in making that happen for young people and families throughout Camden County. We at IDEA Performing Arts Center wish you the very best in 2010!

Cynthia Primas,
President/CEO

Come visit us at IDEA! We'd love for you to see our state of the arts facility. Call to arrange a personal tour. Come see all that IDEA has to offer.
