MORNING CLASSES

10am - 11am & 11am - 12pm

Dance Class

Put on your dancing shoes and get ready to move with this traditional course in jazz, tap, and hip hop dance. Start with the basics then "kick ball change" your way to the top

Drama/Theater

Want to be the next Academy Award winning actor or actress? Learn new and refreshing acting methods from current professionals and take center stage in the IDEA Performing Arts Center's state of the art theater.

Visual Arts/Painting/Drawing

It's all in the perspective. This course is perfect for the visual art lover. Whether you're looking for a reminder on perspective and composition or you've never picked up a paint brush before, we can cultivate the budding artist in you.

AFTERNOON CLASSES

1pm-2pm & 2pm-3pm

Graphic Design

Learn color theories and composition techniques, then using basic programs like Adobe Photoshop and Illustrator, create your own professional fliers, posters and pictures. Take your creativity to the next level.

AFTERNOON CLASSES

1pm-2pm & 2pm-3pm

Digital Photography

In this new era of technology, everything is electronic. The days of spending hours in the dark room are over. Now, all you need is a digital camera and an eye for design and you're ready to go. Let our instructors guide you to the perfect picture.

Video Production/ Filmmaking/Editing

Students develop the skills and competencies necessary to studio and location production, lighting, editing, camera operations, and electronic news gathering. Students also learn to develop critical thinking and problem-solving skills needed to be a part of a creative production team. Scriptwriting will also be taught

Music Production

Have you ever listened to a song on the radio and thought- I can do better than that? Well, now is your chance! Learn how to successfully produce a song: write the verses, create a catchy hook, record the instruments and get your song ready for the radio.

Sound Engineering

Having the right sound on your CD can create a hit song. We teach the art of audio production, you will be able to edit, mix, and design sounds that take the music or voice to the next level.
